## SUMMARY

---

Dynamic and result-oriented Web Developer and Tech Mentor with strong expertise in WordPress development, AWS Bitnami server management, and project management. Passionate about empowering students through technology education, with a proven track record of managing web projects and mentoring aspiring developers. Adept at utilizing a peer-learning model to deliver advanced web development training and support community growth through educational initiatives.

## WORK EXPERIENCE

---

### Apni Pathshala org

(October 2023 – Present)

- Managing the Apni Pathshala website for updates, performance, and SEO.
- Sharing weekly and monthly POD updates.
- Highlighting success stories through blogs and videos.
- Supporting the mission to establish 1000+ PODs across India.

### Nandadeep School

(June 2024 – November 2024)

- Designed and optimised a robotic control system, realizing a 12% performance improvement.
- Coordinated testing and validation, ensuring compliance with industry standards.
- Provided technical expertise, contributing to a 15% reduction in system failures.

### Narayanchandra Trust

(2021 – 2024)

- Volunteer teacher/mentor for basic computer skills for local community and government school students.
- Managed the entire batch, ensuring smooth operations and learning progress.
- Guided students to create Scratch games and portfolio websites, showcasing their creativity and skills.

### Beyond Exams

(Dec 2021 – July 2024)

- Taught advanced web development projects through a peer-learning model.
- Collaborated closely with the BeyondExams Educators Team.
- Contributed to team brainstorming sessions, enhancing the learning experience.
- Demonstrated strong adaptability and dedication to my work, successfully guiding students in their learning journey.
